- Banner Discussion. Different ideas were proposed and discussed. Banner size will either be 18x24 or 24x24. Decided to include Pathfinder logo on bottom of all banners. Permission was granted by Bill Vojbeda, branding committee chair. Two different coordinating designs were chosen and will be sent to the board for final approval. If approved, Troy from Max D Signs will be asked to make a proto-type of the banners for prior review before total order is produced.

(April 2013 - Banner proto-type was approved by committee members and banners were installed by the City of Fremont Street Department in May) No May Meeting.

Next Meeting: June 5, 2013 - 4:30pm - The Door
